---

### SECTION I: DOCUMENT METADATA

- **SUBJECT:** THE SECOND TRIOTIC WAR (THE LUIS-KYRIE vs. BREAD GROUP ENGAGEMENT)
  - **DATE OF OCCURRENCE:** FEBRUARY 27, 2026 (1010H – 1017H PHT)
  - **LOCATION:** GRADE 6 CLASSROOM – AMETHYST SECTOR
  - **REPORTING AGENT:** ROSS (BREAD GROUP INTELLIGENCE)
  - **CLASSIFICATION:** SCHOOL-YARD DIPLOMATIC FAILURE / PE RECONCILIATION
- 

### SECTION II: PRE-CONFLICT CONTEXT (THE "ENGLISH OR SPANISH" PROTOCOL)

Intelligence suggests the tensions originated from a psychological operations (PSYOP) game known as "**English or Spanish.**" This 2024-era social trap mandates that once a language is selected, the first individual to move or speak is designated as "gay." Subject **Kyrie** and **Luis** were observed participating alongside **Bread Group (BG)** operatives. This ritual likely contributed to the semantic confusion regarding "homophobia" that triggered the primary skirmish.

---

### SECTION III: TIMELINE OF ENGAGEMENT

#### 10:10 AM – THE INCITING INCIDENT

Subject **Kyrie** initiated a verbal inquiry regarding the definition of "homophobic," reportedly unaware of his own alignment with the term's characteristics.

#### 10:12 AM – VERBAL ESCALATION

**Hans (BG Leader)** launched a high-intensity roast offensive. Key ammunition utilized:

*"If you had a brain-eating amoeba, it would die of hunger."*

The Bread Group utilized English-language dominance to maintain rhetorical superiority, while the Luis-Kyrie faction primarily utilized Filipino-language defensive maneuvers.

#### 10:15 AM – STALEMATE

Verbal fire subsided. However, Field Agent Ross notes that **no Peace Treaty was signed.** The atmosphere remained "Volatile-Cold."

---

### SECTION IV: FORCED UNIFICATION & THE AMETHYST MANEUVER

At approximately 10:20 AM, the **Science Teacher (Commanding Officer)** intervened. To neutralize the "Second Triotic War," the CO issued an Executive Order to merge the warring factions into a single unit for a Physical Education (PE) operation.

- **OFFICIAL UNIT NAME:** THE HOMOGENOUS AMETHYST GROUP (Colloquially: "The Boys")
  - **OPPOSING FORCE:** THE CHEESE EDEN GROUP (Colloquially: "The Girls")
- 

### SECTION V: OPERATION "PHOTO-LINGUISTICS" RESULTS

The engagement consisted of a high-speed recognition task involving the CO's laptop. Units were required to identify and vocalize descriptors for various visual stimuli. Despite internal friction, "The Boys" displayed unexpected tactical synergy.

UNIT	FINAL SCORE	STATUS
THE HOMOGENOUS AMETHYST GROUP	10	VICTORIOUS
THE CHEESE EDEN GROUP	06	DEFEATED

**SECTION VI: AGENT SUMMARY**

The conflict remains unresolved in spirit, but operational success was achieved under CO supervision.

The "Second Triotic War" serves as a significant escalation from the events of November 7-8, 2024.

Further monitoring of Hans (BG) and Kyrie's linguistic interactions is recommended.
